

Go Green & Do Good

“Green Economy” is more than a hot trend; it is a necessity for our world & your community. Help these great organizations make people-oriented, eco-positive impacts!

DONATE to leading organizations advancing social, environmental betterment:

Permaculture Credit Union www.pcuonline.org

- 10 years old! PCU pools the financial resources of people who want to do green things - care for the earth and people
- Every \$1 donated is leveraged 17 times with savings from members. These are used for loans to green housing & more

Nemours Health & Prevention Services www.nemours.org

- This organization improves child health in Florida, focusing on reducing obesity and the problems associated with it
- Gifts to Nemours' Fund for Children's Health helps Children's Clinics in Florida treat pediatric conditions, prevent illness / injury, and supports research

Taxi Excel www.taxiexcel.com

- Offering sustainable jobs in Peru. It operates fuel efficient taxis owned by its drivers - reducing poverty & the carbon footprint
- Every \$100 donated is leveraged 10x through borrowed debt; Every \$15,000 buys another taxi, launching another poor person into their own business with a ticket to the middle class

YurtCozy www.yurtcozy.com

- You can reduce CO2 around the world by purchasing a carbon credit online helping entrepreneurs with their green businesses
- The carbon credit finances clean energy alternatives like Solar LED lighting or efficient stoves in low-income communities worldwide

YOU can be involved in GREEN good works!

Take these (or other) opportunities in daily life to create social and environmental benefits.

SAVE:

Have your money reflect your values. Open a savings account or apply for a loan with *Permaculture Credit Union*. As little as \$50.
