ENTERPRISE IN ACTION • Fall 2010

## In The News & Publications

**Does your organization or project need capital to thrive?** Our company will help your effort raise the money it needs. Our efforts have already raised over \$100M for socially motivated entities.

**Have a passion for international social enterprise?** Then you'll want to dive into our 10 freshly penned blogs which take you on a journey around the world. It's a dose of insight you won't get anywhere else!

**Social enterprise business competitions for the 2010-2011 year** are getting under way.

For more information, please visit [www.socialenterprise.net](http://www.socialenterprise.net).

## Client Highlights:

**New Mexico Native Green Loan Fund:** Helping Confluence Philanthropy structure a loan fund to enable tribal community development projects with green efforts in New Mexico.

**RDC Redi:** For RDC REDI, Social Enterprise Associates is engaged in a value-added agriculture cluster study in Northern New Mexico. As part of this study, we would like to invite local stakeholders to comment on recommendations. For more information, please contact [drew@socialenterprise.net](mailto:drew@socialenterprise.net).

**SEEP Value Initiative:** Partnering with Intellectap to collect and select social enterprise profiles to promote business sustainability and scale-up, and have the selected stories published by Beyond Profit.

**Taxi Excel:** Working with the first microfranchise taxi company in Lima, Peru to The taxi ownership by drivers enables them to make profits, lift their lives out of mental benefits. For more information check out [www.taxiexcel.com](http://www.taxiexcel.com).

## Recent Conferences and Publications:

Our online library of free publications ([socialenterprise.net/publications](http://socialenterprise.net/publications)) spreads knowledge gained through our projects:

**Measuring Impact for International Social Enterprise** (PDF): Presentation by Drew Tulchin for the Global Social Enterpriseship Competition (GSEC) at the University of Washington (Seattle).

**Social Capital Markets 2010** (LINK): Drew also spoke on the panel "Avoiding Headline Risk: Transparency in Financing Development, Investment Returns & Interest Rates" at this year's SOCAP 10 in San Francisco, CA, a conference bringing together public and private players to evaluate ways in which they can partner to create social capital.

## Coollest Thing We've Seen Lately:
