ENTERPRISE IN ACTION • Spring 2010

See You At The Summit:

Social Enterprise Associates is collaborating with SVT Group to present on Social Return on Investment (SROI) at the Social Enterprise Summit.

April 28-30

New News:

We were featured on a microfinance panel at The Duke Conference on Sustainable Business and Social Impact, highlighting new issues in microfinance, representing the MFI Reporting Standards Initiative.

Drew Tulchin presented at the Council of International Relations in Santa Fe, NM on Economic Development in Afghanistan and the promotion of peace.

Our associates recently worked as judges for several business and strategic plan competitions, including:

- William James Foundation Sustainability Business Plan Competition
- Social Impact Exchange Strategic Plan Competition
- Global Social Venture Competition

Current Engagements:

South Mountain Dairy - Making goat cheese more profitable for a local New Mexico farmer. Yummy!

Working in the Philippines with SDC Asia on their Marina Gana Vida microfranchise business, supporting sustainable fish farms. This project is one of 5 in The Value Initiative from The SEEP Network.

New Publications:

Our online library of free publications spread knowledge gained through our projects:

- New Financial Ratios for Microfinance Reporting (MicroBanking Bulletin, No. 19)
- Debt Investment as a Tool For Value Transfer in Biodiversity Conservation
- Municipal Revolving Loan Funds

Featured Client:

SOLAR
RICHMOND

solarrichmond.org

Travel Blogs:

New Entries:

- The Social Enterprise Frontier
- Understanding Your Carbon Footprint
- Anti-Corruption, Exploring Indonesia

Earn fame and fortune. Submit your own travel-blog. Blogs highlight projects in international development, entrepreneurship, and volunteer efforts.

Short Takes:

Congratulations to Associate Karen Borchert for her new baby!

Thanks to interns: Kyle, Sunny, and Cristina.

Tip of the hat to Ben Tulchin and Tulchin Research for receiving "Firm of the Year" by the AAPC.
