Financial Performance  Social Impact  Environmental Sustainability

## Triple Bottom Line Consulting Fellowship

**Social Enterprise Associates**, a registered B Corp, is a consulting firm offering clients business acumen, managerial experience, practical research, and affordable services. The company fosters 'triple bottom line' solutions supporting entrepreneurs, their organizations, and the industries in which they operate. Specializations include New Ventures, Socially Responsible Business, Microfinance, and Non-Profit Earned Income Strategies. Engagements have spanned twenty states in the U.S. and thirty countries worldwide. More information and client list is online: [www.socialenterprise.net](http://www.socialenterprise.net).

### Fellowship Description

The position offers unique flexibility to address evolving company needs & fellow interests:

- Location: Virtual work or a willingness to relocate to Santa Fe, NM
- Duration: 1 year post-masters degree, on-going, or project-based
- Breadth: Focus on one client/project or gain expertise in a specific topic/skill area

The right fit and skills is most important. This position offers excellent growth potential and a chance to contribute to social and environmental change in the field of social enterprise.

### Sample Projects and Responsibilities

- Visiting social enterprises in US and abroad to write case studies and provide consulting services, such as developing financing strategies.
- Modeling Social Return on Investment (SROI) to measure the effectiveness of a childhood obesity prevention program.
- Supporting small business sector development in Afghanistan.
- Promoting adoption of international financial reporting standards for microfinance industry to improve industry transparency and investor confidence.
- Conducting market assessment and competitive strategy review for an international organic cotton association
- Business development, such as managing social media (twitter, social enterprise blog)

### Qualifications

- Graduate degree in a related field
- Spreadsheet, database and other quantitative experience helpful
- Independent worker, ability to 'manage up' and sense of humor are helpful
- Interest and ability in relevant triple bottom line sectors

### Compensation & Location

Fellows will be offered a modest monthly stipend. Domestic and international travel is available depending on interest level. Work authorization in the U.S. required.
